

This term, for the starter activities, we have planned to begin the session with either times tables or grammar skills.

Our main project for the next five weeks is exploring life in the Caribbean Islands through a combination of Geography and Historical studies. Skills will be mastered through the use of maps, hands-on activities, games and craft activities.

After break, we continue dance skills with our trained dancer (Courtney). The dance activities will allow children to be more active and develop creative skills that can be used for the carnival parade.

Date	Topic	Study	P.E.
27th	The Caribbean	Haiti	Dance
March 5th	The Caribbean	Grenada	Dance
12 th	The Caribbean	Jamaica	Dance
19th	The Caribbean	Cuba	Dance
26th	Holiday		
April 2nd	Holiday		
9th	Holiday
